Report on the Implementation of the Supply Chain Management Policy: Okhahlamba Local Municipality

SECTION A

1. INTRODUCTION AND BACKGROUND INFORMATION

The Municipality approved its Supply Chain Management Policy on 29 May 2013. The effective date of the policy was 1 July 2013.

2. OBJECTIVES OF THE REPORT

The objective of the report is to comply with section 6 of the Supply Chain Management Regulations and Policy which reads as follows:

Section 6 of SCM Regulations and Policy: Oversight role of councilors reads:

The accounting officer must, within 10 days of the end of each quarter, submit a report on the implementation of the supply chain management policy to the mayor.

3. PERIOD

The report covers the period 1 January 2014 to 31 March 2014.

Report on the Implementation of the Supply Chain Management Policy: Okhahlamba Local Municipality

SECTION B

1. SUPPLY CHAIN MANAGEMENT INSTITUTIONAL ARRANGEMENTS

1.1 Policy & Procedures Development & Implementation

The council developed its policy in line with the Supply Chain Management Regulations issued by National Treasury. The National Treasury developed a generic Supply Chain Management policy which was amended to suit the needs of the municipality. The policy was then presented to Council and adopted on 24 June 2013 with the effective date being 1 July 2013.

The Provincial Treasury regularly reviews the supply chain management policies of Municipalities' in order to ensure that they comply with the relevant amendments to Legislation. Changes to the policy will be made as and when required. The policy has been fully implemented.

1.2 Establishment of the Supply Chain Management Unit

Supply Chain Management has been centralized and resides within the budget and Treasury Office.

The current structure is as follows:

Chief Financial Officer

Manager: Finance

SCM Officer

SCM Practitioner x 2

All positions are currently filled. A Declaration Form in terms of Section 7 (2) of the Municipal Systems Act No 32, 2000 (Schedule 1 amended by SS 45 and 46 of Act No 51 2002) has been circulated all Bid Committee members to declare their interest and to be signed under Oaths. The forms has been completed and returned to SCM Officer by most of officials.

At the commencement of all bid committee meetings, members complete the attendance register and declare and undertake the following:-

- That all information, documentation and decisions regarding any matter at the disposal of the committee are kept **confidential** and an undertaking has been taken by the bid committee members not to make anything known in this regard
- To treat all service providers and potential service providers equitably and will not purposefully favour or prejudice anybody.

Report on the Implementation of the Supply Chain Management Policy: Okhahlamba Local Municipality

- To make known details of any private or business interest he, she or any close family member, partner or associate may have in any proposed procurement or disposal of, or in any award or contract that they will immediately withdraw from participating in any matter whatsoever.

Challenges

The municipality faces budget constraints in having a fully-fledged structure as envisaged by legislation. The municipality also faces the challenge of retaining experienced staff.

Proposed Solution

Amending the SCM structure as and when funds become available. Payment of market related salaries.

1.3 Establishment of the Supply Chain Management Bid Committees

The Municipality has established the following bid committees:-

- Bid specification committee
- Bid evaluation committee
- Bid adjudication committee

Any possible conflicts of interest are declared at the commencement of all bid committee meetings.

Challenges

Timely sitting of the bid committee meetings and turnaround time.

Proposed Solution

Timeously issuing of agenda's and the development of a time frame schedule. A turnaround time schedule for the various bid committees has been introduced which is being adhered as far as practically possible.

1.4 Implementation of MBDs Documents

All municipal bid documents (MBDs) are in place in compliance with MFMA Circular 25 and include specifications and evaluation criteria as recommended by the Specifications Committee and approved by the Accounting Officer.

Challenges

Service providers not completing all municipal bid documents.

Proposed Solution

Educating service providers on the importance of the completion of all municipal bid

Report on the Implementation of the Supply Chain Management Policy: Okhahlamba Local Municipality

Documentation by holding bi-annual workshops. During March 2010 a SMME workshop concerning Supply Chain Management was arranged by the Local Economic Development Department and we have since received positive feedback for the local business community who attended. It is envisaged that this initiative will be ongoing.

1.5 Establishment of Database of Suppliers/Service Providers

The municipality is still in the process of developing and implemented a database of suppliers. Adverts are placed annually in the two most widely circulated newspapers in the municipality's area of jurisdiction inviting suppliers to register on the municipal database. Service providers may however register on the data base at any stage as there is no closing date for registration.

Challenges

Due to the locality of the municipality, we do not always receive applications for a wide range of services.

Proposed Solution

Continuous updating of the database.

1.6 Training and Development of the SCM Unit and Bid Committees

SCM Bid committee members are in progress with training as group 1 is already trained on 31 March 2014 to 02 April 2014 and the balance of members will be conducted on 23 to 25 April 2014.

Challenges

Keeping abreast with the latest developments and legislation regarding supply chain management issues.

Proposed Solution

It is compulsory that all Bid Committee members be trained to ensure that these committees are effectively executing their duties.

2. SUPPLY CHAIN MANAGEMENT PLANNING

2.1 Procurement Plan

The municipality has developed and implemented an annual procurement plan. Procurement is measured against the plan. The reviewed procurement plans are to be submitted and they must be in line with the budget.

The Capital Budget Procurement Plan for three year appropriation for 2013/2014, 2014/2015 and 2015/2016 is now due.

Attached as Annexure "A" are the Departmental Procurement Plans.

Challenges

Attached three year Procurement Plans for Technical Departments is for two financial year, which are 2013/2014 and 2014/2015. Constant improvements will be made to the plan as the municipality progresses with its implementation.

Proposed Solution

That the respective departments start preparing and implementing the procurement plans. Constant improvement, development and monitoring of the implementation of the Procurement plans.
